

## PROTECTION PLAN

**PROTECTION FOR TODAY.  
PEACE OF MIND FOR TOMORROW.**

## PROTECTION PLAN

**THIS IS PROTECTION YOU CAN COUNT ON TODAY**

**THE GM 5 YEAR LIMITED POWERTRAIN WARRANTY<sup>1</sup>**

## THE GM 5 YEAR LIMITED POWERTRAIN WARRANTY<sup>1</sup>

### ENGINE - GASOLINE/DIESEL

Cylinder head, block, timing gears and chain, timing cover, actuators and electrical components internal to engine, oil pump/oil pump housing, OHC carriers, valve covers, oil pan, oil cooler line and/or hose, seals and gaskets, turbocharger and supercharger, all internal lubricated parts as well as manifolds, flywheel, water pump, harmonic balancer, engine mounts, timing belts (covered until the first scheduled maintenance interval), engine/powertrain control modules.

### TRANSMISSION/TRANSAXLE/ TRANSFER CASE

Case, all internal lubricated parts, electrical components internal to transmission/transaxle/transfer case, torque converter, mounts, seals and gaskets, encoder motor, clutch hydraulic line.

### FRONT-/REAR-WHEEL-DRIVE ASSEMBLY

Final drive housing, all internal lubricated parts, axle shafts and bearings, constant velocity joints and boots, actuators, electrical components internal to the drive axle, axle housing, propeller shafts, universal joints, locking hubs, front differential actuator, supports and mounts, seals and gaskets.

## THIS IS TOTAL PEACE OF MIND FOR TOMORROW

### CHEVROLET BUICK GMC CADILLAC PROTECTION PLAN TOTAL PLUS

Enhance that coverage with Total Plus from the Chevrolet Buick GMC Cadillac Protection Plan! The only service contract backed by General Motors.

#### Eliminate worries and unexpected expenses down the road.

- Strengthen your base warranty coverage and powertrain component warranty with a Chevrolet Buick GMC Cadillac Total Plus Vehicle Service Contract.
- Total Plus provides comprehensive coverage during your ownership experience, including parts and labour on many components that are not covered by your Powertrain Warranty.<sup>2</sup>

#### Don't leave your vehicle unprotected!

The list of parts captured on the right contains a sample of covered components. For a complete list please see Chevrolet Buick GMC Cadillac Protection Plan Program details.

## PLUS

### THE TOTAL PLUS CHEVROLET BUICK GMC CADILLAC PROTECTION PLAN

#### FUEL SYSTEM

Throttle body, EFI sensor/control units, fuel tank, fuel pump, fuel level sensor, seals and gaskets, diesel fuel injection pump, vacuum pump, nozzles.

#### ENGINE COOLING SYSTEM

Radiator, radiator fan and clutch, radiator fan electric motor, seals and gaskets, radiator fan relay.

#### HEATING AND AIR CONDITIONING SYSTEMS

AC compressor, compressor clutch and bearing, condenser, evaporator, accumulator, automatic temperature control, blower motor, seals and gaskets, switches, heater core assembly, pulley, high/low pressure compressor cut-off switch, pressure cycling switch, temperature control programmer.

#### SUSPENSION

Upper and lower control arms, control arm shafts and bushings, coil springs, leaf springs, steering knuckles, seals.

#### STEERING SYSTEM

Power steering group, steering gear housing and all internal parts, steering column and all internal parts, tilt wheel mechanism, idler arm, pitman arm, tie rods, rack and pinion, steering shaft couplings, seals and gaskets.

#### ELECTRICAL, COMPUTER AND AUDIO SYSTEMS

Alternator/generator, voltage regulator, switches, starter motor, powertrain control module, transmission control module, transfer case control module, manually operated switches, wiper motor (front and rear), wiring harnesses, distributor assembly, distributor module, distributor, ignition lock and switch, power window motors, power door locks and actuators, power folding

mirrors, power retractable side steps, heated/cooled seats, heated steering wheel, radio, power antenna, cruise control assembly, electronic instrument cluster and diagnostic displays, electronic level control compressor sensor and control, electronic spark control detonation sensor and control.

#### BRAKING SYSTEM COMPONENTS

Master cylinder, assist booster, disc brake calipers, wheel cylinders, ABS sensors, ABS electronic control module, parking brake assembly, self adjusters, hydraulic line and fittings, combination valve, pump motor assembly, accumulator, pressure modulator valve/dump valve, seals and gaskets.

#### HIGH-TECH COMPONENTS

OnStar<sup>®</sup> system, OnStar module, Bluetooth<sup>®</sup> system, power liftgate, power seats, compass and thermometer, Head-Up Display, anti-theft alarms (factory-installed), ride control suspensions, traction control assembly, infrared display, dual climate control, power sunroof, rear view camera, back-up sensors, and navigation system.

#### SAFETY ASSEMBLIES/ SUPPLEMENTAL RESTRAINT SYSTEM

Airbag module and sensors, airbag wiring harness, passenger presence module, steering wheel airbag coil, safety belt assemblies, safety belt tensioners, daytime running lights (except bulbs), reverse warning signal.

#### FRONT/REAR-WHEEL-DRIVE ASSEMBLY

Wheel bearings, front hub bearings, rear axle hub bearings.

#### EMISSIONS

Evaporator canisters, evaporator canister solenoids, and oxygen sensors.

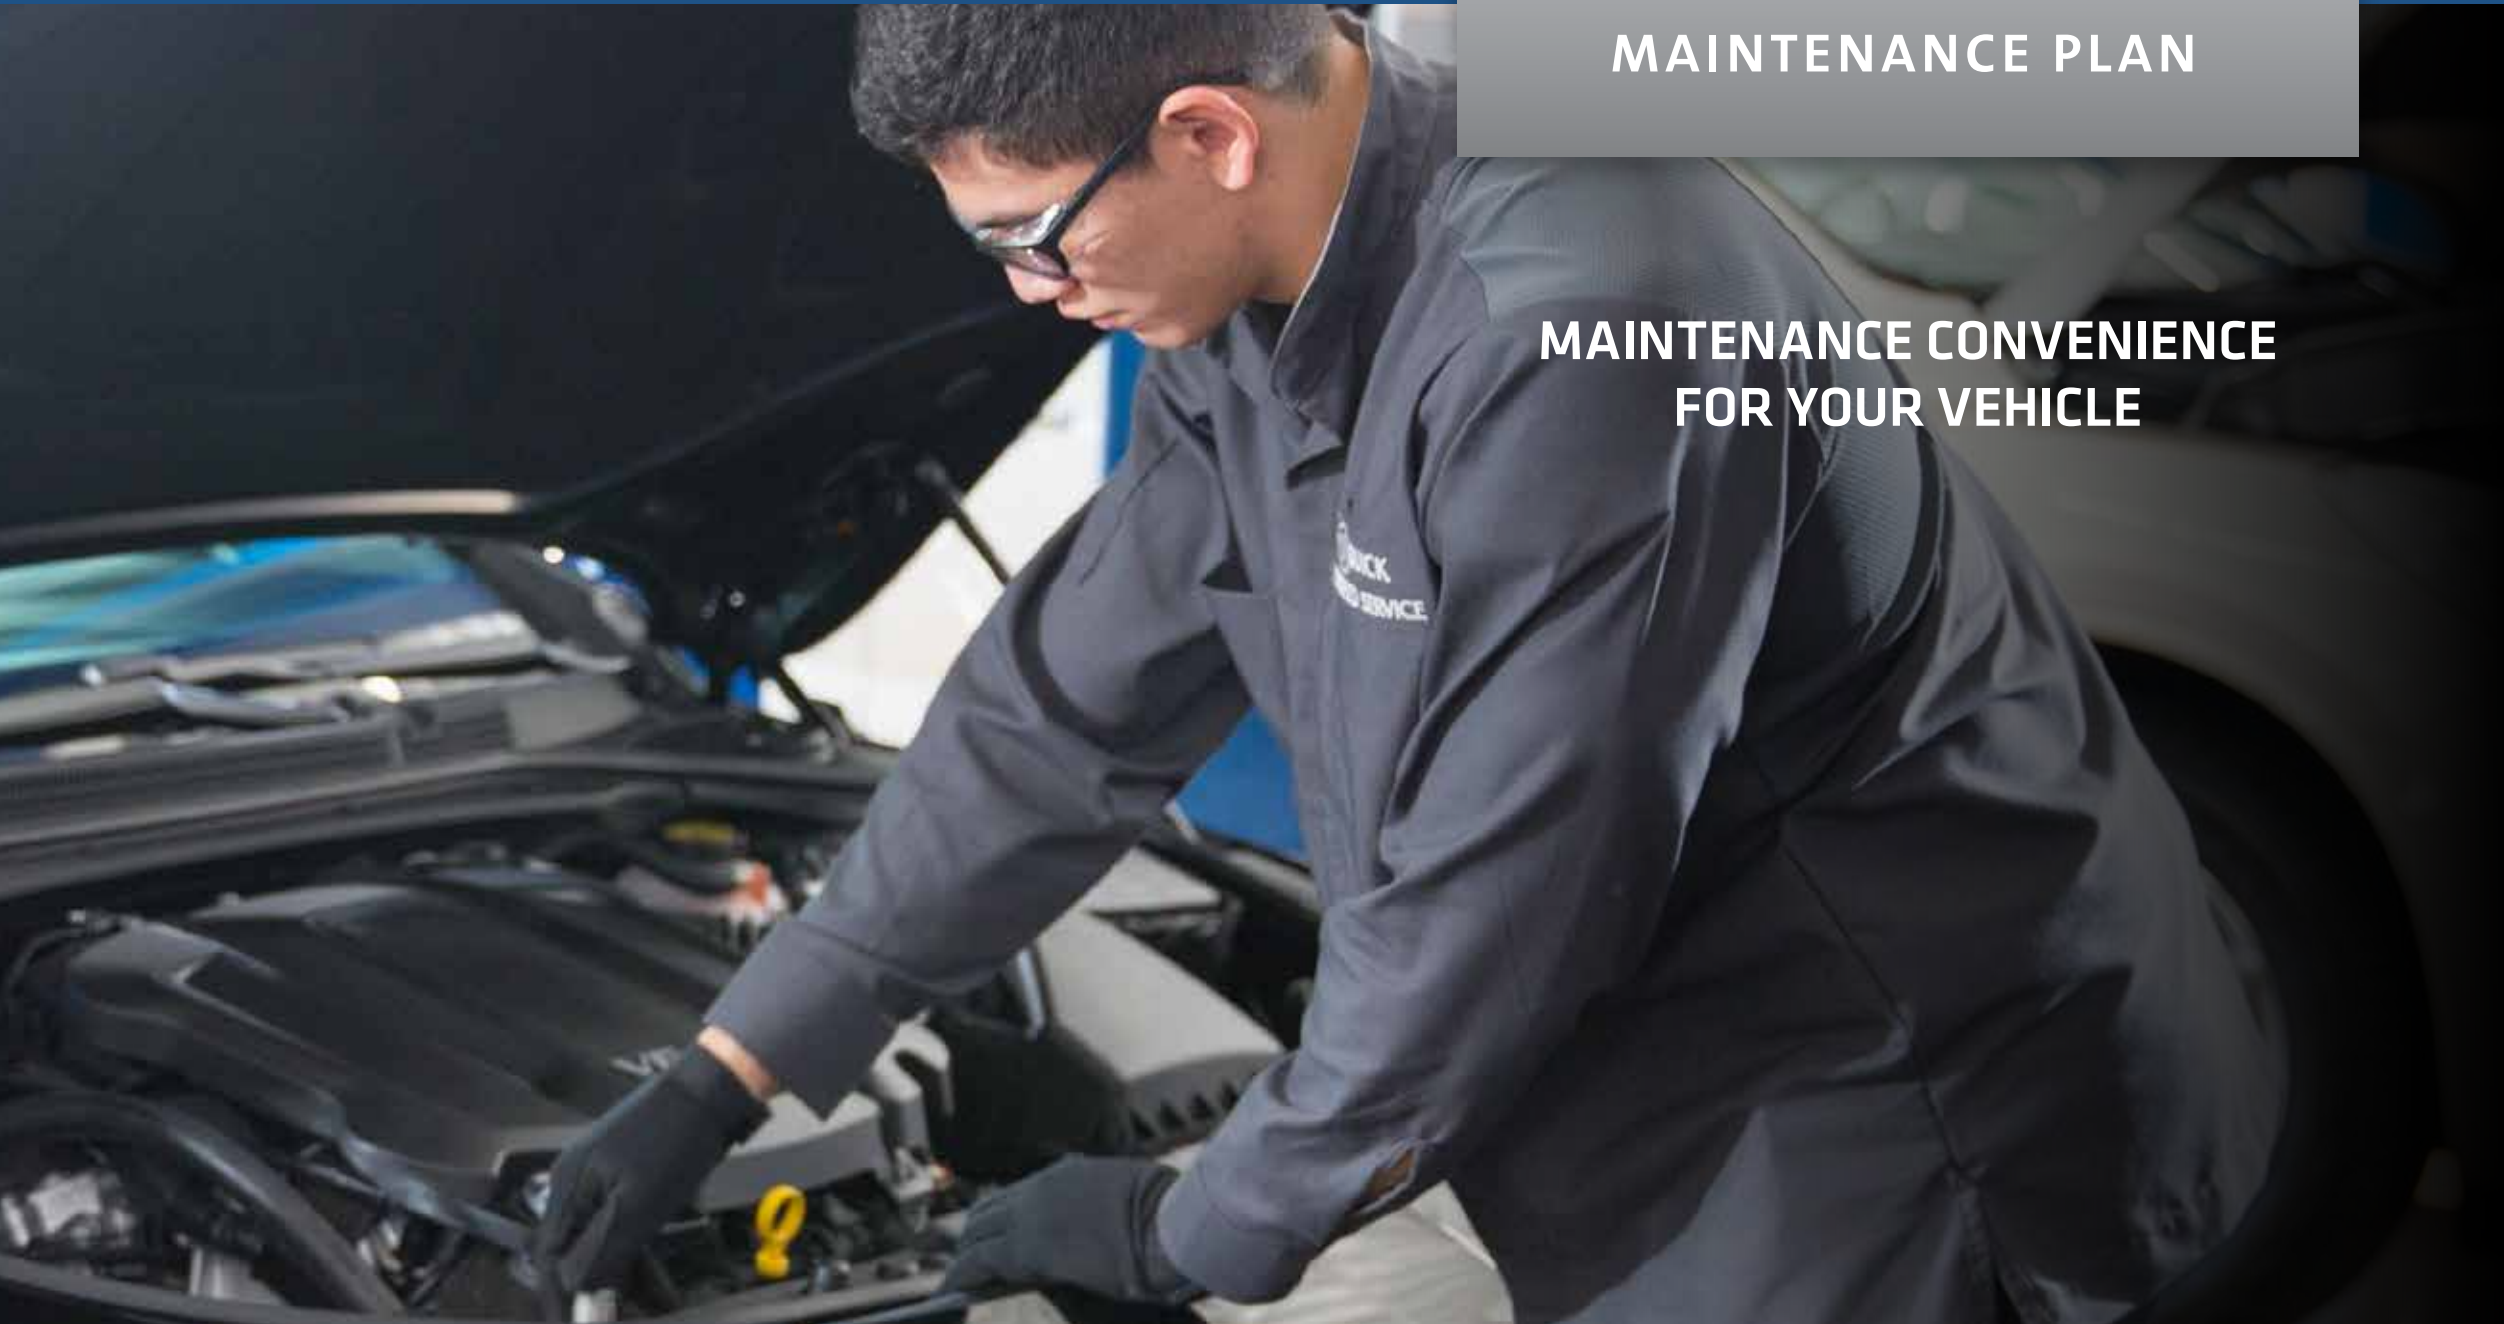

<sup>2</sup>This sales aide provides a summary of coverages and is for illustrative purposes only. Refer to your service contract for contract terms and conditions, and exclusions.

## MAINTENANCE PLAN

MAINTENANCE CONVENIENCE  
FOR YOUR VEHICLE

## MAINTENANCE PLAN

**Whether you buy or lease, simplify your maintenance and extend the life of your vehicle by keeping it well serviced with an *ESSENTIAL CARE*<sup>1</sup> or *ENHANCED CARE*<sup>2</sup> Chevrolet Buick GMC Cadillac Maintenance Plan.**

- The convenience of covered schedule maintenance services provided by Certified Service experts when you need it.
- A well-maintained vehicle and peace of mind for the long run.
- Coverage is offered in a variety of time and kilometres combinations up to 7 years and 160,000 kilometres. Choose a time/distance package to suit your driving needs.
- Honoured at all Chevrolet Buick GMC Cadillac dealers in Canada and the United States.
- The only maintenance plan backed by GM Canada.

## *ESSENTIAL CARE*

### covers:

- Oil & filter changes, and chassis lubrication; according to the oil life monitor system
- Tire rotation and multi-point vehicle health check
- Cabin air filter (if applicable)
- Engine air filter
- Change brake/clutch hydraulic fluid (if applicable)
- Change transmission fluid (if applicable) and transmission filter (if serviceable)
- Spark plugs (if applicable)
- Change transfer case fluid (if applicable)
- Drain, flush and fill engine cooling system

<sup>1</sup> Available for vehicles that are less than 3 model years old and with 60,000 kilometres or less on the odometer.

<sup>2</sup> Available at time of delivery of new vehicle only.

***ENHANCED CARE***  
covers everything Essential Care covers

**PLUS**

- Front/rear brake pads/linings and rotors/drums
  - Maximum one time service for terms up to 85,000 km
  - Maximum of two services for terms greater than 85,000 km
- Front/rear brake rotor/drum resurfacing
- Shock absorbers (excluding Struts and/or Cartridges)
- Engine coolant hoses and clamps
- Engine accessory drive belt
- Light bulbs (excluding LED & lamp assemblies)
- Wiper blades
